And What Have You

By BOB CRAIG

We liked this one — Borrowed from this week's letter from the Neinda Philosopher.

"Speaking of these new car seat belts that make that awful nagging buzzing sound and won't let your car start till they're fastened, I was just thinking, how could the west ever have been won, how would the cattle ever have been herded, how would a stampede ever have been stopped, if, when a cowboy leaped into his saddle, his horse wouldn't start till both feet were in the stirrups?"

The Pipers should get their first big test of the season Friday evening when they travel to Coahoma to take on the undefeated Bulldogs. This will be the fourth meeting between these two schools and the Pipers are still looking for their first win.

It seems rather ironic that the Pipers, who are fielding probably the finest team in the history of the school, should have to wait until their fourth game of the season to meet a good strong competitor.

It seems ironic because during the years that the Pipers were at their lowest it seemed that every non-conference foe they faced was rated in the state's top ten and this year they have found very little competition in the likes of Clyde and Colorado City.

For the first time that these two teams have met, the Bulldogs will be playing without their tremendous quarterback Roland Beal — he finally graduated last year. But they apparently have found a good replacement for him as they are having another fine season.

Good luck Pipers, we'll be pulling for you at Coahoma Friday.

There is probably no law in Texas more misunderstood than this state's laws on pistols. The Texas Extension Service has published a pamphlet that explains these laws and we are passing along some of that information here for those of you who own pistols and might not be aware of some of the restrictions.

In the first place, and with only a few exceptions, it is unlawful under Article 483 of the Texas Penal Code for anyone to carry a pistol on or about his person, saddle or in his saddlebags or in his portfolio or purse.

The exceptions are: persons in the militia, peace officers, gun owners bearing arms on their own property or while traveling, or to certain special policemen or deputy constables who earn at least \$40 a month in such capacity.

Probably the most misunderstood fact is that you can not get a gun permit in Texas. There is just no permit law on the books in Texas.

Also about equally misunderstood is the fact that in Texas there is no difference in whether you carry a pistol concealed or out in the open. Unless authorized by some other provision of the law, a person carrying an unconcealed pistol is in open violation of the law.

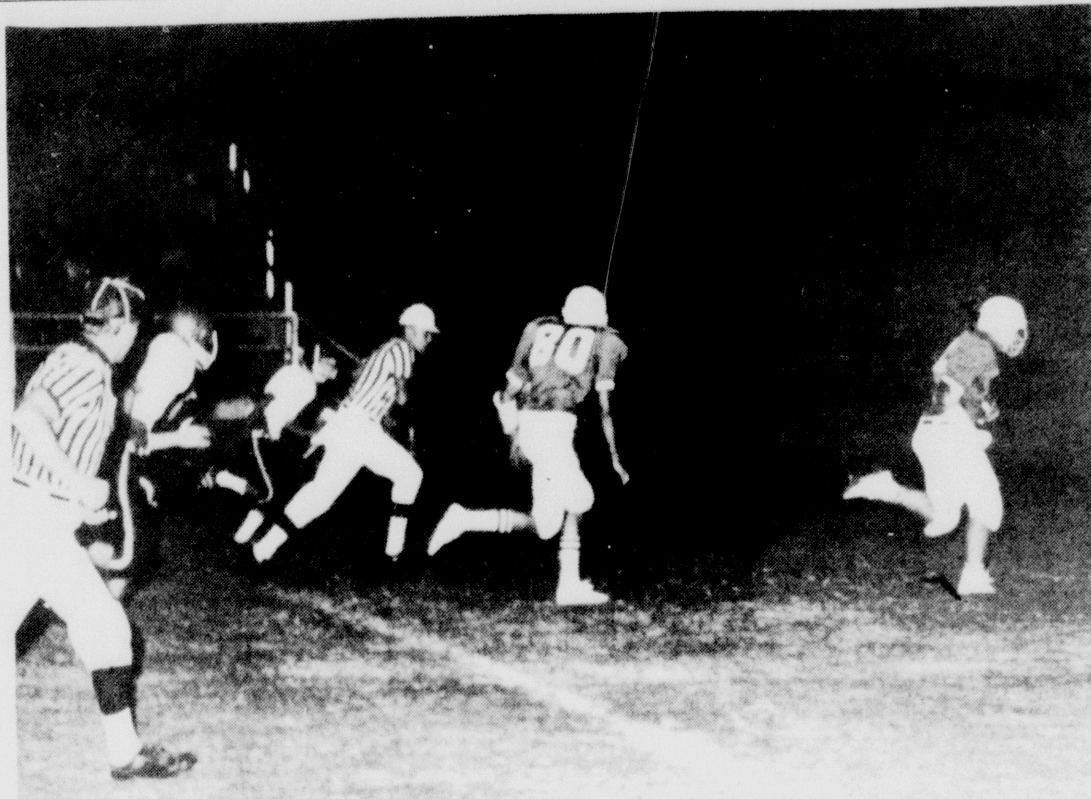

According to the Extension Service bulletin, a person can carry a pistol to or from a place of purchase or repair but the courts have held that an unreasonable delay is sufficient to sustain a conviction for violation of the law.

The bulletin also points out that it is just as unlawful to carry an inoperable pistol or an unloaded one as it is to carry one in good operating condition.

Also it is pointed out that having a pistol in the glove compartment or under the front seat of an automobile is considered the same as "on or about" one's person.

About the only out for most Texas citizens to legally carry a pistol is to be considered a "traveler." But this

Pipers to Test Bulldogs At Coahoma Friday

The Hamlin Pied Pipers will put their undefeated record on the line Friday when they travel to Coahoma to meet the unbeaten Bulldogs. The Pipers will be out to avenge a three-game losing streak to the Bulldogs.

The Pipers lost to the Bulldogs, 34-0 in the first meeting of the two teams in 1970, lost again the following year, 45-14, and lost 40-18 last year.

The Pipers will be coming off a 54-0 victory over the Colorado

City Wolves last week while the Bulldogs were defeating San Angelo Lakeview, 26-17. Earlier, Coahoma defeated Sonora in their opener 14-12 and then defeated Colorado City, 26-0.

In other action this week the Hamlin Junior Varsity will be traveling to Haskell tonight (Thursday) to take on the Haskell JV's and the local Freshmen will travel to Clyde. Both games are set for 7 p.m.

In their games last week, the JV's suffered their first loss of the season Saturday evening at the hands of the varsity unit of the Hawley Bearcats, 34-14. The JV's jumped out to a 14-0 lead in the first period on two long runs by quarterback Robert Pharris, but the bigger, more experienced Bearcats overpowered the JV's in the second half.

Playing Thursday evening, the local Freshmen battled the Colorado City Freshmen to a 0-0 tie in a game played at Colorado City.

Coach David Bonds' Pipers came out of the Colorado City contest with only minor injuries and should be ready for action Friday evening at Coahoma. The kickoff is set for 8 p.m.

The Bulldogs will field a big quick team that operates

Changes In Brucellosis Testing Program Listed

Texas Livestock producers will be faced with new regulations on brucellosis control following a statewide public hearing in Austin Oct. 1, reports County Extension Agent Kirby Clayton.

The changes are being proposed by the Texas Animal Health Commission so that Texas will be able to move toward a "certified-brucellosis free status" and thereby be able to comply with the standards of other states to which cattle are shipped.

Clayton outlines the major changes in the brucellosis testing program as follows:

1. Testing of all animals two years of age and over at local auction markets rather than just testing those that terminate at slaughter.

2. Maintaining cattle in groups until they are tested and found clean or are quarantined, with testing expense to be paid by the seller.

3. Herds found to have the

disease will be tested until they have two negative tests, not to exceed 120 days apart.

4. Retesting must be done within 60 days.

5. Animals may move from ranch to ranch owned by the same individual within a county or similar certified area without testing.

6. Animals moving and changing ownership must be tested. Numerous other conditions and procedures are also specified in the proposed changes, points out Clayton. To get all the details on the new brucellosis program, he encourages producers to come by the county Extension office to review a copy of the proposed regulations.

The agent also invites livestock producers to attend the public hearing in Austin Oct. 1 to obtain further information on the program and to voice any concerns they may have about the proposed changes.

Mark W. Smith Named Homecoming Speaker

Response to the letters mailed out to former students and teachers has been good, according to workers in the Hamlin Ex-student Association. The letters announcing Oct. 11-13 plans for the "Try It, You'll Like It" Homecoming '73 were mailed last month and include a registration blank to be returned.

Registration fee is \$2. Robert Moore, president of the Association, has announced a highlight of the program to be the return of Mark W. Smith, a former Hamlin coach in the 1940's who will be the speaker for the Saturday afternoon business session, Oct. 13.

Smith, an educator for 31 years, is presently engaged in ranching near Brownwood. His wife, Mary Bell, is a librarian. They have two children, Mark Jr., a teacher, and Susan, a senior at Howard Payne College.

Homecoming headquarters will be in Reynolds Drug Store, 230 S. Central.

The Business and Professional Women's Club will serve coffee Friday afternoon and Saturday morning in the

MARK W. SMITH
Homecoming speaker

Merle Norman Cosmetic Studio and Mar-Jo's Antiques, 242 South Central.

Friday's schedule includes a chili supper in the high school cafeteria, 5:30 to 7:30; football game with Childress, 8 p.m. and an after game coffee in the cafeteria at 10 p.m.

Saturday, the National Honor Society will host a coffee in the teachers lounge at 9 a.m. Student Council members will also host a coffee for former members at the school at 9 a.m.

The parade Saturday morning at 11 will feature floats and other entries prepared by various school and civic groups.

A barbecue dinner will be served from 11:30 a.m. to 1 p.m. in the cafeteria. The business meeting will follow at 1 p.m.

Hamlin Merchants to Host Flea Market Sat.

Hamlin merchants will host the third and final Flea Market Sale of the year here Saturday, according to Frank Shearer, chairman of the Retail Trade Committee of the BCD, sponsors of the project.

The big Flea Market or downtown garage sale has been combined this month with the regularly scheduled First Saturday Dollar Day to bring extra added values to Hamlin shoppers.

As in the past, the public has been invited to bring their garage sale items downtown Saturday and take part in the big Flea Market. Many Hamlin merchants will be joining the public out on the street as they mark down their merchandise for this big DSidewalk Sale.

People from all over the area are being invited to set up their booths, card tables, clothes racks and other displays on Hamlin's downtown sidewalks for this big one-day event.

Adult Education Classes To Be Offered Locally

Adult Education Classes will be held in Hamlin as a part of a five-county co-op that is designed to give better services to adults seeking to continue their elementary and high school education.

A survey will be conducted in the Hamlin area Friday by workers from Sweetwater and Hamlin to acquaint the public with the services these classes will offer.

The adult education class co-op will include Nolan, Fisher,

Mitchell, Scurry and a part of Jones County.

Mrs. Gladys Gerst, executive director of the adult education program for Sweetwater Independent School District, is the co-op director. The co-op is sponsored by the Sweetwater I.S.D. Anyone 16 years of age and over is eligible to attend the adult classes. However, the 16-year-olds must have been out of school one year.

The classes are designed for those who have never been to school or those who have dropped out. The adults will be learning to prepare themselves to help their children with their school work, to qualify for a better job, improve or learn reading, English, spelling, math, etc.

Anyone interested in enrolling in these classes may contact Principal Larry Butler at his office in the elementary building, 576-3191.

The classes will meet from 6 to 8 p.m. Tuesdays and Thursdays in the elementary school.

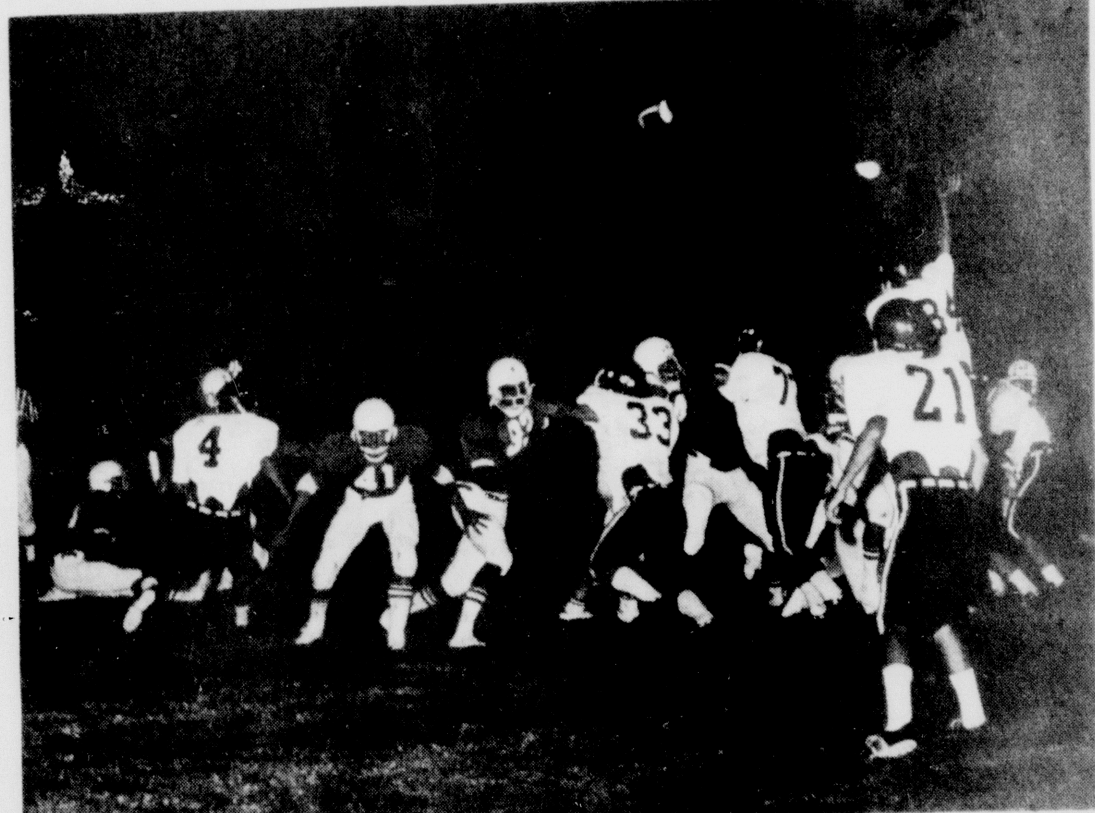

Students will work toward earning a high school equivalency certificate, which is equivalent to a high school diploma.

The Hamlin classes will have three teachers and two aides.

Memorial Window

A window displaying pictures of deceased ex-students and teachers will be at Mar-Jo's Antiques during Homecoming activities.

Pictures should be taken to the business location, 242 South Central, Monday or Tuesday. These should be picked up the following week, after Homecoming.

McKISSACK PUT IT THROUGH — Steve McKissack, Piper senior kicker and punter, puts one more point through the uprights here Friday evening against Colorado City as he ups his scoring to 16 points for the season. He has kicked 13 points after and one field goal to place third in the scoring department behind Johnny Jones with 54 points and David Willis with 18 points. (Photo by Tim Jones)

Phebean Class Installation of Officers Held

Mrs. Tom Routh conducted the installation of officers for the Phebean Sunday School Class of First Baptist Church Sept. 25 in the home of Mrs. I. D. Miller at 2:30 p.m.

Mrs. Routh used "Living Letters" as the devotional and as the theme for the installation. She pointed out the various kinds of letters—business, social, letters of invitation and others. She especially stressed the "Love Letters" of the Bible in which God wants us to love, doing good works for Him, she said.

Installed were Mrs. Albert George, teacher, Mrs. Jack Wright, assistant; Mrs. Orb Miller, outreach leader, Mrs. Ike Miller, assistant; Mrs. W. H. Carter, secretary, Mrs. Billy Goodman, assistant; Mrs. Lucy Mickler, card chairman; Mrs. Tom Gregory, visitation chairman, Mrs. M. L. Rhoton and Mrs. Cleo Periman, visitation committee.

Group captains are Mmes. O. G. Harvey, Mickler, Noble Greer, Ben Parker, Wes Neidecken and Geo. Wainscott.

Hostesses with Mrs. Miller were Mmes. Rhoton and Gregory. Mrs. Noel Weaver presided.

Other members present were Mrs. A. Branscum, Irma Hall and Kelly Scott.

Mildred Hymer and Jackie Fletcher attended a Zoto's seminar for hairdressers in Abilene at the Civic Center Sunday.

Naomi Class Installs New Officers Here

The Naomi Class of the First Baptist Church installed new officers at the regular class meeting Sunday.

Mrs. Joe Simpson, teacher, using the symbol of mantle of leadership, installed Mrs. C. L. Howard, outreach chairman. Symbols of jewels were used in installing Mmes. Delbert Rountree, assistant outreach chairman; H. S. Stovall, secretary, W. O. Gray assistant; Watts Fletcher, treasurer; Bill Smith, Ray Johnson, Robert Calhoun, George Campbell, Edward Gardner, Addie Mae Tabb, and Norman Carlton, group leaders; E. A. Hewett, assistant teacher; and Gene Prewit, reporter.

The class gave Mrs. Simpson a standing ovation for her work and leadership of the class.

Coffee and cookies were served during the fellowship hours.

Program for FHA Meeting Announced

The Hamlin Chapter of the Future Homemakers of America will give a program on "Dating" Tuesday at 7 p.m. in the high school cafeteria.

Debra Hollis has planned a panel discussion and junior and senior boys will be asked their views on dating.

All FHA members are urged to attend.

Girl Scouts Hold Meeting

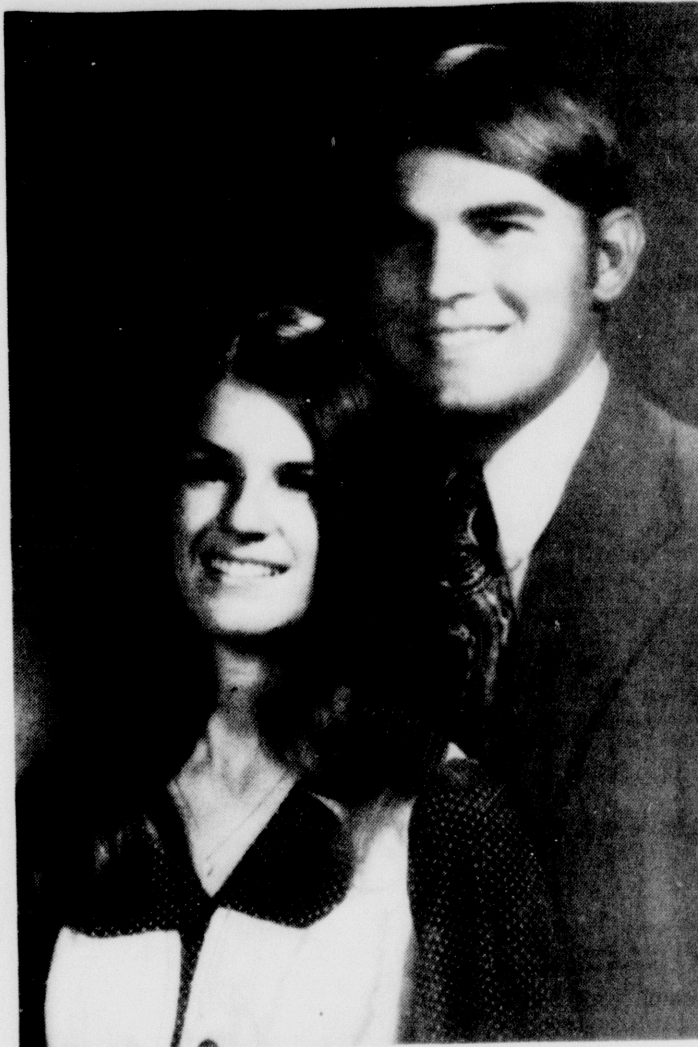

The Junior Girl Scout Troop No. 398 had their first meeting Thursday at the Jaycee Building with 23 girls present.

Leaders, Mmes. Tom Watts, Jody Ford, Ken Prewit and Gary Thorton, served refreshments.

The troop was divided into four patrol systems and each patrol elected a leader. The patrol leaders are Karen Ponder, Lesley Wilson, Lisa Caffey and Lorna Pharris.

The troop also discussed plans for decorating a float to be entered in the homecoming parade.

The leaders are planning a weiner roast and work day for decorating the float Saturday, Oct. 6, from 11 a.m. to 4 p.m. at the home of Mrs. Jody Ford, Route 1, on the Stamford-Hamlin highway.

WEDDING PLANS ANNOUNCED — Joye Ann Walton of Lubbock and Steven H. Ledgerwood, of Miami, Fla., will be married Jan. 5, 1974, in Lubbock.

Big 5 Ladies Golf Winners Announced

Winners of the Big 5 Ladies Golf Association final play day at Haskell recently were: First flight Roberta Jenkins, Ruby Medford, both of Haskell, Mary Smith, Munday, and Faye Graham, Knox City.

Second flight — Naomi Bell, Hamlin, Betty Baker, Munday, Dorothy Smith, Hamlin, and Arnell Denton, Knox City.

Third flight — Wynette Moore and Pat Ford, both of Munday, Marion Frierson and Mary Kennedy, both of Haskell.

New officers elected after the luncheon were Betty Baker, president; and Mary Smith, secretary-treasurer. Faye Graham was appointed reporter.

Members voted to meet only four times in 1974 and will begin in May at Lake Creek Country Club at Munday. The "traveling trophy" award will be resumed.

Patty Cowan of Arlington visited her parents, Mr. and Mrs. D. W. Cowan, over the weekend.

Miss Walton, Mr. Ledgerwood Plan Wedding

Mr. and Mrs. John E. Walton of Lubbock announce the engagement of their daughter, Joye Ann, to Steven H. Ledgerwood, son of Maj. (USAF ret.) and Mrs. Harold F. Ledgerwood of Miami, Fla.

The couple plan to be married Jan. 5, 1974, in Ford Memorial Chapel of First Baptist Church in Lubbock.

A former resident of Hamlin, Miss Walton's relatives here include Mrs. Arba Burgess, Mrs. Thomas Ferguson, Mrs. W. V. Walton, and Mrs. Ken Prewit. The bride-elect is a 1969 graduate of Coronado High School in Lubbock and attended Texas Tech where she was on the Dean's List. She is employed by Southwestern Bell Telephone Company in Lubbock.

Ledgerwood is a 1968 graduate of Lincoln East High School in Lincoln, Nebraska and attended South Plains College in Levelland while he was stationed at Reese Air Force Base. He is presently stationed at Udorn Air Force Base in Thailand.

Garden Club Seeks Prizes From Members

All members and associate members of Hamlin Garden Club are being asked to bring door prizes for the convention to the Oct. 11 meeting in the home of Mrs. A. J. Winegart.

The door prizes are to be gift wrapped and cost not less than \$2. These will be presented at the District Convention to be held here Oct. 23.

Members may register for the convention with Mrs. Horace Driver. Cost is \$6.

AARP Group Sets Meeting

The American Association of Retired Persons will meet Tuesday at 7 p.m. in Fellowship Hall of First United Methodist Church.

Mrs. A. A. Hackley and Mrs. Earl Brown will report on a legislative workshop they attended recently.

Mr. and Mrs. C. B. Brown visited with their son and family, Mr. and Mrs. Scott A. Brown and Lea Heather, in Euless last week.

Young H'makers See Program On Spain Mon.

Mrs. C. Weldon Griggs presented a program of colored slides on Spain at the Monday evening meeting of Young Homemakers.

Mrs. John Poe, president, presided.

Plans were made for a fortune telling booth at the city-wide carnival to be held to raise funds for the proposed child day care center.

Committees for the homecoming float were named.

Attending were Mmes. David Wade, Larry Butler, David Watson, Fred Hubbard, Mac Reid, Chris Pena, Larry McCoy, Robert Moore, Dan Newberry, Cleon Warner, Danny Warner, Herman Daniel, Bobby Kiser, Burt Oliver, J. W. Carter, Pat Willoughby and Rick Abbott.

New members are welcome. The organization meets at the school at 7 p.m. the first Monday of each month.

Rebekah Class Meets Sept. 26

Rebekah S. S. Class of First Baptist Church met in the home of Mrs. Oran Taylor for a morning coffee, Sept. 26.

Plans were made for the coming year of class activities.

Mrs. Roscoe Perryman was named chairman of the visiting committee. Mrs. Taylor, outreach leader, presided. She also presented a devotional on judgement.

Mrs. Britt Baker opened the meeting with prayer.

Coffee, spiced tea and cake were served to Mmes. Perryman, Debbie Harrell, Baker, Travis Hubbard, Orville Waymire, Johnnie Agnew, Fred Rosenbaum, Carl Meyner and J. C. Lain.

Adult HD Class Has Room for 7

The Homemaking Department of Hamlin High School has openings for seven more adults or out of school youth to participate in an accessory making class.

The class will meet Mondays at 2:45 to 3:45 p.m. in the foods laboratory at the high school.

FIFTY YEARS AGO
(October)

Last Sunday at 3 p.m. the Cemetery Association met in the Methodist Church. Mrs. Harden, president, presided. After roll call and minutes of the last meeting, business was taken up. A discussion on getting a charter was entered into and Judge Rodgers was asked to explain the need of a charter and how one could be obtained. The next meeting will be the third Sunday in November at 3 p.m. and everyone interested should attend.

It will be remembered that Monday night, Oct. 15, was the time set for the first regular meeting of the Parent-Teachers Association. A suitable program will be ready and the organization will be fully completed. All parents and citizens who want to "boost and pull" for the Hamlin Public School are urged to come out and join the Parent-Teacher Association. It has been decided that each member should pay a yearly fee of fifty cents and treasurer will register you on Monday night. This is a permanent, active organization to back up and push on the public school in Hamlin. It is of interest to the people without children, as well as those with children. The parent needs to come in contact with the teacher, and the teacher needs to meet the parents of the children.

TWENTY YEARS AGO
(October 9, 1953)

An early bird breakfast next Tuesday morning at 7 a.m. will be the opening gun of a concerted drive in the Hamlin community for the annual fund raising campaign for Boy Scouts in the area. A dawn-to-dusk quick round-up of funds will be conducted by nearly 100 men of the community, working in 15 teams under three sectional groups.

Fourth year vocational agriculture students at Hamlin High School last week were designated as a group to measure the bounds of Hamlin City Park and sketch the area in preparation for the clean-up campaign that will be staged Thursday. The boys, under direction of Harold Eades, charted the bounds, trails and roads that traverse the park area; located the play sections, picnic tables and other major points of interest; then drew a map.

Eighteen Future Farmers of America of the Hamlin chapter are priming calves to be shown in this fall's shows, report T. C. Blankinship and Harold V. Eades, vocational agriculture teachers at Hamlin High School. The calves, seven Aberdeen Angus and 11 Herefords, will be entered in the county show, Abilene district exhibit and some of them at the Sweetwater show.

Oil and gas production in the Hamlin area has meant much to the economy of the community, people of

the territory are reminded this week as Oil Progress Week is being observed.

TEN YEARS AGO
(October 3, 1963)

The Hamlin Lions Club will bring their annual "Broom Sale" to town Tuesday, Oct. 15. The annual sale is part of the Lions Club's efforts to help the blind, in that the products sold during the sale are made by the blind and most of the money goes to them.

Hamlin Junior High will play host to the Anson Clubs here Tuesday evening at 7 p.m. Anson has won both of their conference games, defeating Albany 24-0 and Haskell 14-8.

The Hamlin Jaycees will bring to Hamlin the largest wild animal tented circus in America for a one day stand here Monday, Oct. 21. More than 200 animals will be performing for the 4 p.m. matinee and the 7:30 evening performances.

Boys from eight to eleven are practicing up on punting, passing, and kicking in preparation for the annual Punt, Pass and Kick contest to be held Oct. 12. The local competition is sponsored jointly by Connally Ford Sales and the Hamlin Jaycees. Hamlin youths will be tested for their ability to punt, pass and kick a football.

Following four consecutive wins, the Pied Pipers will take the night off Friday. With their 27-12 win over Cisco last week the Pipers remain one of the three undefeated teams in District 6-AA. The other two are Stamford with 4-0 record and Ballinger with a 3-0 record.

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One must have been riding in somebody's new car, his letter this week indicates.

Dear editor:

It's not a world-shaking problem, but as you know, Congress has now passed a law allowing the televising of home games in professional football if the game is a sell-out 72 hours before it starts, and as I understand it the owners of the teams aren't happy about it.

They say that even if all the tickets are sold, if the day turns off wet and cold a lot of fans will stay warm and dry at home and watch the game on television, thus cutting down on parking lot fees, hotdog sales, etc., not to mention the disappointing effect a half-empty stadium has on the players.

There's a remedy for this. Put seat belts in all the seats in the stadium. Rig them up somewhat like the new cars. If the belt isn't fastened, your television set at home won't start, it just emits a continuous buzzing sound. The stadium thus will be filled, either by the

Raley Smith
Receives CPA
Certification

Raley Smith, son of Mr. and Mrs. Bill Smith, received certification as a public accountant Sept. 25. He is employed by Defense Contract Audit Agency of Hurst where he has been since his discharge from the Air Force in March, 1967.

He and his wife, Janice, and children, Todd, 7, and Megan, 9 months, live in Arlington.

His brother, Stanley, also a certified public accountant, is employed by Arthur Young and Company Accountants in Houston. He has been there since September, 1969, and received his certificate in July of last year.

Both are graduates of Hamlin High School.

On this law, as with lots of laws, Congress either went too far or didn't go far enough.

Speaking of these new car seat belts that make that awful nagging buzzing sound and won't let your car start till they're fastened, I was just thinking, how could the west ever have been won, how would the cattle ever have been herded, how would a stampede ever have been stopped, if, when a cowboy leaped into his saddle, his horse wouldn't start till both feet were in the stirrups?

Yours faithfully,
J. A.

EAGLE'S BEAK

by Susan Romero

Everyone was very proud of the Eagles Friday night when they defeated Hobbs 64-24. This week the Eagles travel to Paint Creek today (Oct. 4).

The Pep Squad sold hot dogs at the game Friday night.

Juniors and seniors raised additional money for the annual trip with a car wash Saturday.

Not much has been happening in McCaulley.

I hope to have more news next week.

The Church Building

This is only a building, but it is a special building for it is the worship place for God's people. It is a place where one may go to study and hear God's word preached.

"... faith cometh by hearing, and hearing by the word of God."

If there are unanswered questions in your mind... go... seek... and find God in his house

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Pipers Take Easy 54-0 Win Over Colorado City Wolves

Plagued by mistakes, the Colorado City Wolves were no match for the talent rich Pipers here Friday evening as the Pipers rolled up an easy 54-0 victory over the Class AAA club. It was the third win for the Pipers and the fourth loss for the Wolves, who are still seeking their first touchdown this season.

The Wolves lost the ball six times on fumbles with the Pipers turning four of them into touchdowns. While three of the recovered fumbles gave the Pipers good field position to go on in for the score, a fourth one was picked off in the air with big defensive lineman John Hudson racing 43 yards for the score.

While seeing only limited action, running back Johnny Jones had another sensational evening for the Pipers as he scored four touchdowns while carrying the ball only 12 times for 151 yards. This brought his season total up to 47 carries for 551 yards and 54 points. He is now averaging 11.7 yards per carry.

Hamlin kicked off to get the game underway and on third down the Wolves lost their first fumble of the evening with Ray Scifres recovering on the C-City 36. Albert McAfee carried for five to the 31 and then Jones hit into the middle of the line, broke to the outside and raced into the endzone. Steve McKissack kicked the point after with 13 left in the first period.

C-City fumbled again on second down following the kickoff with John Hudson recovering on the C-City 23. Jones carried for seven, then the Pipers drew a five-yard penalty. Jones added seven more yards and then was dropped for a yard loss back to the 15. On fourth and needing two, the Pipers called on Jones again who went over his right guard for 15 yards and the score. The point after try failed.

C-City failed to make a first following the kick off and punted six yards to the C-City 27. The Pipers picked up a first down at the 14, but then drew a 15-yard penalty back to the 29. Two pass tries by Willie Hooper failed and Ronnie Maberry picked up nine yards to the 20. Maberry, who replaced Jones during much of the evening was the game's second leading rusher with 83 yards in 12 carries. On fourth down McKissack tried a 36-yard field goal that missed the mark.

Aided by a 15-yard penalty, the Wolves moved out to the 48 before losing ground and punting from their own 37. Jones took the 22-yard punt at his own 41 and battered his way up the field, breaking tackles all along the way and went in for his third touchdown of the night. McKissack kicked the point after.

C-City failed to make a first following the kickoff and punted again with Jones returning it 17 yards to the C-City 35. Maberry took over the rushing duties and carried for gains of four, three and seven for a first down at the 21. He then swept his left end for a standup six pointer. The point after try failed.

Following the kickoff the Wolves moved from their 32 out to the 43 before losing the ball to Hudson, who picked the ball off before it hit the ground and raced 43 yards for the Pipers' fifth touchdown with 7:30 remaining in the second period. McKissack kicked the point after.

The Pipers recovered another fumble before the half ended but failed to make it in for the score.

C-City kicked off to the Pipers to open the second half with the action starting at the Hamlin 42. McAfee carried for two, Jones for five and then Jones hit over left tackle on the dive on a play good for 50 yards and the score. McKissack added the point after.

With the Piper's second unit seeing most of the action, the two teams exchanged the ball on punts, interceptions and fumbles until late in the third period. Taking over on their own 24, the Pipers moved out to the C-City 37 before being forced to punt. But the Wolves were charged with roughing the kicker and the Pipers had a first down at the C-City 21. With time out on the clock Tracy Rowland connected with George Titus in the end

zone for the score. McKissack kicked the point after.

Late in the fourth period,

Scifres, who played an out-standing ballgame on defense, recovered another fumble to set up the Pipers' final score. Operating from their own 47, the Pipers sent Maberry on a 19-yard carry and then called on Bill Cork for a 22-yard reverse to the C-City 12. Maberry was stopped for no gain and then carried to the nine. Titus made his second trip into the end zone for the night on an end around from the nine. McKissack again added the point after.

Highlights AND Sidelights

AUSTIN — "There'll be no 'right-to-work' law in the proposed new Texas constitution," predicted Lt. Gov. Bill Hobby and Bill Hartman, Beaumont Enterprise-Journal, at a meeting of the Texas Daily Newspaper Association last week.

Answering a question from a newspaperman at the summer meeting of the Texas Daily Newspaper Association in Guadalajara, Mexico, Hobby and Hartman said the Texas Constitutional Revision Commission will not have "right-to-work" in the proposed constitution which will be submitted to the legislature in November. Hartman is a member of the commission.

"It will be impossible for 'right-to-work' advocates to get the two-thirds vote necessary to get it back in the constitution at next year's Texas Constitutional Convention," Hobby added.

The convention — beginning in January — will be writing a new constitution to present to Texas voters in 1974.

Hobby also told the Texas publishers that the most important change for the commission and Concon is reorganization of the executive branch. "Texas state government now spends \$5 billion a year with no one in charge," he concluded. "Under our present constitution we have the weakest 'office of governor' in the nation."

SPECIAL SESSION URGED — Atty. Gen. John Hill has joined in the demand that Gov. Dolph Briscoe call a special legislative session on a wide range of child welfare matters and school finance laws revision.

Briscoe, who heard of the recommendation while attending the Southern Governors Conference in Alabama, said he has not changed his mind about need for a special session at this time. He made clear that means he doesn't intend to call one.

Hill also released his report on licensing of Artesia Hall, the East Texas child care facility which was closed last summer after reports of serious mistreatment and even a murder charge there.

While he, in effect, said W. Kendall Baker of Houston, a former State Welfare Board chairman, and House Speaker Price Daniel Jr., did nothing wrong in serving as attorneys for the Artesia Hall owner, the attorney general advised a law curbing legal practice before state boards by former members. He also suggested restrictions on legislators' practicing before state agencies.

Hill concluded there were no improper payments or inducements to get Illinois children placed in Texas child care institutions by that state's welfare officials.

The attorney general conceded, however, that there appeared to be a certain amount of "wining and dining" of the Illinois officials.

He criticized hiring out of Texas Welfare Department employees parttime to private child care facilities. The Welfare Board, meanwhile, voted to fire its former director of social services, who had been

on the payroll of private institutions.

YOUTH COUNCIL SHAKEN UP — Leadership of the Texas Youth Council was shaken up in the wake of recent "semi-riots" at Gatesville Boys School and a court finding that discipline is too harsh at several state institutions for youth.

Dr. James A. Turman resigned as TYC executive director, a post he has held since 1957, and Robert Kneebone quit as chairman.

The Board named W. Forrest Smith of Dallas as new chairman of TYC and Ron Jackson, 33, of Brownwood as acting executive director.

Smith told the House Committee on Human Resources TYC "needs a little settling time and a little of the pressure taken off" before it can move toward new goals. Smith said the council will comply fully with the rulings of Federal District Judge William Wayne Justice at Tyler that it end certain disciplinary practices used against youth school inmates.

AG OPINIONS — The Parks and Wildlife Department may contract with utility or water districts for water and sewage services in state parks. Attorney General Hill held.

In other recent opinions, Hill concluded:

The State Department of Public Welfare must continue to license childcare institutions for the emotionally disturbed.

State employees may receive merit salary increases in both years of the fiscal period, but the amount spent for such raises can never exceed the monthly maximum no matter how much money is available.

Beaumont has authority to donate park land to the State Department of Mental Health and Mental Retardation for use in building a hospital, without need for an election, but public hearings are required.

Out-of-state and out-of-county witnesses can be paid reasonable expenses for their appearances in court cases.

SHORT SNORTS Some 420 Texas cities collecting sales taxes received \$52.8 million from the source during the quarter which ended June 30.

The federal government probably won't approve Texas water quality standard, but the state won't lose anti-pollution funds, according to the Environmental Protection Agency regional director.

Texas Offshore Terminal Commission set December as target date for completion of its report on feasibility and location of offshore deepwater ports for oil-carrying super-tankers.

Hearings have been rescheduled for October 3 in Houston and October 4 in Corpus Christi on locations of proposed liberty ship fishing reefs.

Texas city, county and other political subdivisions will receive the entire allocation of local funds from the Land and Water Conservation Fund Program for the next fiscal year — about \$1.7 million.
